January 2020

January 23rd Program Night: Handkerchief Butterfly Block By Therese Springer

Therese will be teaching us how to make a butterfly block with a hand-sewing method. Handkerchiefs with decorative borders will work well for this project.

February 1st: Sew 'N Draw

The upcoming Sew 'N Draw is Halloween themed. If you wish to sign up or need specific fabric requirements, be sure to contact Marge Sandy.

March 7th: Circuit Teacher

Marie Fuselier will be teaching a project called Waving Glory, a bargello-style flag quilt using a quilt-as-you-go method. Sign-ups for this class will start at the January business meeting. A max of 20 people can attend this class, so sign-up and reserve your spot!

July 2020: GSQA meeting

Bay Oaks will be hosting the GSQS meeting in July. The theme will be "Halloween in July," and the guild is going to be giving attendees homemade treat bags. We are asking each member to make 5 of these bags (pattern can be found on the website). If any members have any Halloween themed quilts, table runners, etc. that you are willing to loan to decorate for the meeting, it would be greatly appreciated!

October 2020: GSQA Traveling Teacher

Gyleen Fitzgerald will be teaching a class with Bay Oaks on October 6th. At the January business meeting we will be discussing and voting on which class the guild prefers out of the following:

- Caribbean Star 2
- Modern Free-Wheeling Circles
- It Takes Seven Sisters
- Glorified Nine Patch

[You can see more about these classes here.](#)

Make sure to turn in....

- 2019 Evaluations (ASAP)
- 2020 Membership Forms and Dues (ASAP)
- 2020 UFO List (due by March)
