We currently have 49 members.

### **Melinda Bula class –**

Please notify Sue Rountree about your Fabric Color Kit selection by the business meeting. Below is a condensed portion of her email:

**\*\*** Some of you have expressed an interest in purchasing Hibiscus kits for our class on January 21. Melinda is not selling them on her website at this time. She has asked me to obtain a kit count with students' 1st and 2nd color choices. She will be hand dying the fabrics during the Christmas holidays and will send the patterns and kits to me in advance of the class. Please let me know if you want to purchase the hand dyed fabric kit for \$55 as well as your 1st and 2nd color choice. I'm sure all the colors will be beautiful. Those choices are:

1. Pink
2. Peachy Orange
3. Golden Yellow
4. Purple

Kit fees are not due at this time. All of us will get a thread painting kit for the class on January 22. \*\*

Yvette Tagliari will demonstrate how to use fabric panels, as well as fabric designed and printed to look like patchwork or appliqué, to easily create quilts.

### **GSQA quarterly meeting**

CARPOOL ANYONE ??

**Christmas Party** – our party chairman, Chris Jarrell, has the following message:

Can you believe there are only 3 guild meetings before our Christmas Party on Thursday, December 10th? We better start thinking FOOD!!!! I will be passing around a sign-up sheet for food items at the next 3 meetings. Be thinking about that wonderful holiday recipe you've wanted to try, or maybe the one that's the family favorite. If you can't make the first meeting but want to get a jump on the list, you can email me with your dish and I will write it in for you. I will also be asking for volunteers for setup and cleanup. Thanks for your help..... Chris Jarrell. (see attachment included with the newsletter mail)

### **Charity quilts/ Unused Totes**

Please consider donating your unused **Totes** so we may use them to carry charity quilts to Brenda's House or other designated locations.

**Timely Tips:** \* If you don't have confidence in your free-motion quilting skills, use clear monofilament thread on top to camouflage irregular stitching. Reduce the top tension and use a #70/10 needle.

- To make threading monofilament thread easier, take a felt tip pen and color the end of the thread.
