Treasurer's Report The newsletter came out too early for the report to be included. A full report will be given at the November meeting.

Web site Stay in touch via the web site. Please contact Bobbye Schloegel or Gloria Burlette if you want to have something to put on the site or if you see any corrections that are needed.

October classes Lou Ada passed out information and gave a wonderful presentation on borders and with her guidance the guild decided on the border for the little red plaid quilt. We hope to get this one done before our quilt show in April. Gloria used her color illustrations for the demo of mitering a binding. That concluded our in house teaching programs. We look forward to more next year including one of our newer members who is going to teach.

Fall Squares This is our . Please bring fifteen (15), 8" squares of fall fabric to be swapped at our November business meeting which will be our only meeting in November.

Show and Sale Please remember to mark your 2008 calendar for **April 20th** for the Show and Sale.
