**Remember-There is no fourth Thursday meeting in November and December**

### **November Business Meeting, November 8<sup>th</sup>**

- We will vote on the proposed changes to guild by-laws. The changes were published in the October newsletter and discussed at the October business meeting. They eliminate the education committee co-chairs and incorporate those duties into the office of vice president.
- Marge will be out of town, so Step Five for the mystery quilt is included in this newsletter, along with Step Four from last month. The final solution to the mystery will be distributed in December, giving everyone plenty of time to finish the quilt in time for our 2013 show.
- Think about what programs you would like to have in 2013. Therese will be asking for suggestions on topics, techniques, and projects, so put on your thinking (or dreaming) cap.
- Fat Quarter Exchange-the November color is "Fall Colors."
- Sign up to sell opportunity quilt tickets at Second Saturday, December 8<sup>th</sup>.
- Sign up for Christmas party food.
- Show and Tell

### **Self Portrait Challenge Quilts Revealed at Christmas Party-There Will be Prizes**

Just a reminder that our self-portrait challenge quilts will be revealed at the Christmas party on December 13<sup>th</sup>. Remember to **keep your self portrait a secret**.... Ssshhhhh! Bring them to the party in an opaque bag-the quilts will be hung, and we'll all get a chance to guess who's who. No need to obsess about this challenge. The quilt can be any size, and all you need on party night is a finished top. Fabric post card, anyone? Prizes will be awarded to **whoever has the most correct guesses** and to the **Viewer's Choice** portrait. Each prize is a \$25 gift certificate to Coastal Sew and Vac.

Joan H shared a great blog by a self-styled crazy lady who creates custom portrait quilts. Check it out for some ideas <http://mamacjt.blogspot.com/>

### **2012 UFO Challenge Draws to a Close with December Meeting**

Make sure you update Therese on your UFO list before the December meeting. At that time she will draw a name for the lucky 2012 winner. Just to recap, at the start of the year we provided Therese with a list of our UFO's. For each UFO completed during 2012, our name

goes into the "hat." So the more UFO's completed, the more chances to win. But it only takes one, so it's not too late to finish a UFO and get in the running.

***The 2012 UFO Challenge prize is a \$100 gift certificate at Coastal Sew and Vac.***

### **Quilt Show News**

- We're investigating quilt show insurance through the National Quilt Association, so if you are a current member of NQA, please let Therese S know.
- Our opportunity quilt, "Pride of the Gulf," will be showcased on Lori Hein's web site, Cool Water Quilts, <http://www.coolwaterquilts.com/>. Our quilt design was based on her pattern, "Sailing," (with Lori's permission) and she loves what we created. Check out Lori's site to see other quilts she has designed.
- The guild will be selling opportunity quilt tickets on Saturday, December 8<sup>th</sup> at Century Hall, 112 South Second Street in Bay St. Louis. We had lots of success (and chilly fun) selling tickets at Second Saturdays in 2010, and anticipate more of the same this time. A sign-up sheet will be passed around at the November business meeting.

### **"Scattered Hearts" Won by Diamondhead Resident at Recent Pink Heart Funds Event**

"Scattered Hearts," the Bay Oaks charity quilt for the Pink Heart Funds was won by Dora Bitof, a lung/breast cancer survivor from Diamondhead. JoAn Niceley reports that her organization made almost \$1600 from quilt ticket sales. Nice work, Bay Oaks!
