Treasurer's Report Chris Jarrell reports on our bank balance as of 12/1/07. A complete report will be available upon request to Chris.

Web site Check out our web site. Gene has made some changes and improvements.

In-House Classes It has been decided not to have in-house classes until after the quilt show in April.

GSQA Classes Therese has set up GSQA teacher, Connie Ewbanks, to teach a machine pieced class on **Saturday, January 12, 2008** at the VFW in Bay St. Louis. More information will be sent before the class but you can go on line at www.gulfstatesquilting.org and look up her name for the class for "Rosebuds or Tulips?"

A second GSQA class will be on **Saturday, May 3, 2008**. It will be "Fractures/ 3-D Blocks" taught by Marilyn Rose.

Show and Sale Please remember to mark your 2008 calendar for **April 20th** for the Show and Sale. Kay Buccola will be in charge and will be setting up a schedule for that day. We will need to quilt the blue star quilt and also the little red plaid one to sell, please be ready to offer your quilting skills to get this done on time.

Christmas Party, December 13th Our Christmas Party will be at Xochilt Pipers house at 6:00 PM. Remember to bring your dish with its serving silverware. It has been decided to assemble the packages for the soldiers at our January business meeting. This gives us more time to gather what is needed. Please make every effort to make as many of the cup holders as you can. We would like each member to make 10 if possible. This one item can't be bought and we want to give each soldier one.

Election of Officers At our November meeting the nominating committee presented these officers for the ballot: President, Gloria Burlette, Vice President, Therese Springer, Secretary, JoAnn LaLone and Treasurer, Chris Jarrell. Kay Buccola was also recommended for the position of VP but at the meeting she withdrew her name saying that because she doesn't have computer capability she thought it would be easier for the guild to have a VP that does. Kay is a very organized and valued member that would do a good job in any office.....computer or not!

Please keep me updated on any address changes so you will continue to get the newsletter.

Don't forget to bring your Show and Tell
