

February 2022 Program Meeting

February Program Sewing Caddy

Sewing Table Caddy

Materials Needed:

1. 5X7" acrylic picture frame (can buy at Dollar Tree)
2. 4 pieces of fabric (coordinating or scrappy)
3. Batting

Fabric cutting instructions:

1. Cut fabric $6\frac{1}{2}$ " X 15" for main body
2. 1 piece $6\frac{1}{1}$ " X 8"
3. 1 piece $6\frac{1}{2}$ " X 7"
4. 1 piece $6\frac{1}{2}$ " X 6"

6 1/2

} iron in half

Sewing Instructions:

1. Put the largest piece of fabric to the side, if you want to quilt your main fabric do that first.
2. Fold the other 3 pieces in half & press so you have a good top crease.
3. Lay the large front pocket down first, followed by the 6" piece.
4. On the other side you will put the 7 "piece. You may want to add an even smaller one to the front side.
5. Lay your quilted main piece down, right side of fabric up. Stack your pockets on the front & 1 on the back & decide if you want to sew a line down the middle or more on 1 side.

6. Turn the bottom of the fabric $\frac{1}{4}$ " so you can have a clean hem & topstitch.
7. Turn your caddy right sides together & sew a $\frac{1}{4}$ " seam. Make sure you trim the bulky corners.

If you decide you don't want to quilt your caddy you could just sew a piece of the batting at the bottom so it will stay in place!
