

# Churn Dash

This makes a 12" block!

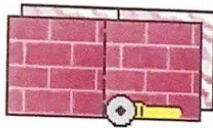

This Block is traditionally done in two colors...I am showing it in three to help you see the emerging patterns you may see when it is pieced!

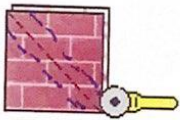

3 Blocks x 4 Blocks with a 2" border makes a perfect Project Linus Quilt Sized Quilt!

Please abide by the Terms and Conditions of use! :o)

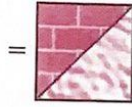

## \*\* Preparing the Pieces and Sewing the Block \*\*

Stack the Color 1 and Color 3 4-7/8" x 9-3/4" strips, and using a rotary cutter, cut these together into two 4-7/8" squares of each...

*draw a line*  
~~Using the old rotary cutter again, cut the 4 4-7/8" squares on the diagonal,~~ being careful not to stretch the fabrics... *on wrong side of fabric*

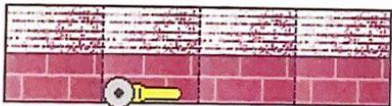

*Squares*  
Next, sew these triangles together, right sides together, using scant 1/4" seams to form four of these half squares. Press seams towards darker fabrics. Trim to 4-1/2" if needed...

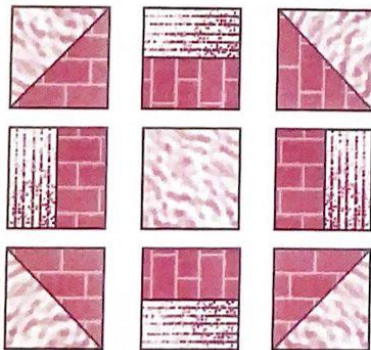

*once sewn - cut along diagonal line*

Then, right sides together, sew the two 2-1/2" x 18" strips along one long edge using scant 1/4" seams. Press seams towards darker fabrics...

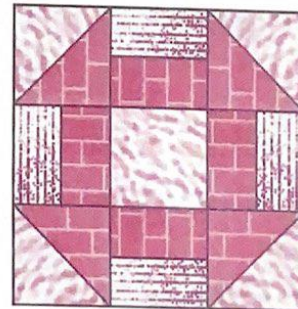

Cut the resultant strip at 4-1/2" intervals into four 4-1/2" square pieced sections...

...and now sew all of these together, same 1/4" scant seams, in the order shown at left!
