

10 24 2024 Program Meeting
 QUILTO

The Program Meeting was held on October 24th was the game of Quilt-O. Sharon B's husband, Hubie, was the announcer. Members had four cards per game. The games were: regular BINGO, the Cross, Lucky Seven, X marks the spot, and the Full Card. We saw all types of buttons and pennies being used as markers. Buttons were being lent out when members playing the last two games ran out of buttons.

Examples of Calling Cards

Before all the games started, up to 4 QUILT-O boards were given out to members who wished to play the games. Before each game, four fabric strips were collected from members playing that round.

Giving Out QUILT-O Cards

Collecting Strips

The announcer called out the picture cards for each round until QUILT-O was called.

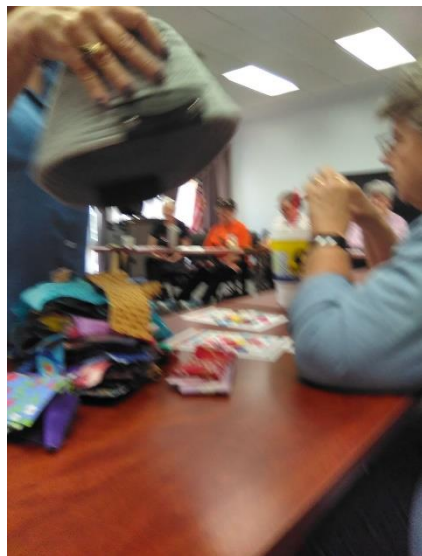

Calling the Cards

Playing the Game

The winner of a game received all the fabric strips from that round of play.

Winner Takes All

After each round, playing members were asked if they wanted to trade in their defective, non-winning QUILT-O Boards.

We saw so many different, beautiful fabrics and buttons. The winners were: Ida M, Liz F, Sharon B, Marsha R, and Susan L. Can't wait to see what the winners make from the strips!
