# Sailboat

Makes 12 ½" block

RED, WHITE & BLUE

Complete all sections before assembling block.

WATER; Cut 3 & ¼ " x 12 & ½" strip for water.

BOAT; Cut 3" x 12 & ½" for boat. From background fabric, cut (2) 3" squares. Sew 1 square on each end of boat fabric at 45' angle. Trim.

LARGE SAIL; Cut 8 & ¼ " square of background fabric and 8 & ¼" square of sail fabric. Place right sides together. Draw diagonal line. Sew seam ¼' on both sides of diagonal line. Cut on line. You now have (2) ½ square triangles. You only need 1. Trim to 7 & ½ " square

SMALL SAIL; Cut 6 & ¼" square of background fabric and 6 & ¼" of sail fabric. Place right sides together. Draw diagonal line. Sew seam ¼" on both sides of diagonal line. Cut on line. You now have (2) ½ square triangles. You only need 1.Trim to 5 & ½' square.

SMALL FLAG STRIP; Cut 2 &1/2" strip of background fabric. Cut 2 & 1/2 " square of sail fabric. Sew square at one end of strip at 45' angle. Trim.

ASSEMBLY; (1) Sew flag strip to top of small sail. (2) Sew sails together. (3) Sew sails to boat strip. (4) Sew water strip to bottom of boat strip. Trim.

Note: I used a blue background and white for the small sail. I didn't think it had enough white so I added a strip of white on top of the boat. I had 2 & ½ "x12& ½' boat fabric and 1"x 12 & ½' of white to make a 3"x 12 & ½" boat strip before I added the squares on the ends.
