TO DO FOR ALL THAT WHICH NONE CAN DO FOR ONESELF

AMERICAN FEDERATION OF GOVERNMENT EMPLOYEES LOCAL 2185

Find their contact information, including email addresses and phone numbers, on the official congressional website and the list provided.

Compose a Persuasive Email:

Begin with a respectful introduction

Introduce yourself and mention that you are a member of the American Federation of Government Employees (AFGE).

Clearly state the purpose of your email: to request their support for the People of the United States, our veterans, and our federal workforce.

Emphasize that the boots on the ground employees and average workers do not create policy or make decisions; rather, the issues facing abuse and waste are attributed to higher-level staff.

Highlight that our bargaining unit employees are not responsible for the issues the nation is facing, and eroding the baseline workforce only worsens the issue of our top-heavy government.

Conclude with a courteous request for their support and a thank you for their time and consideration.

Sign off with your name, and contact information.

Make a Phone Call:

Dial the office number of the representative.

Introduce yourself as an AFGE member and briefly mention the issue you are calling about.

Clearly state your request for their support for the People of the United States, our veterans, and our federal workforce.

Be respectful and concise in your communication.

Thank the representative or their staff for their time and consideration.

Dear [Representative's Name], My name is [Your Name], and I am a proud member of the American Federation of Government Employees (AFGE), representing [your district/state]. I am writing to you today to request your support for the People of the United States, our veterans, and our federal workforce. As a federal employee, [describe your role or department], I have witnessed firsthand the impact that the current policies have on our workforce. It is important to note that the boots on the ground employees and average workers do not create policy or make decisions; rather, the issues facing abuse and waste are attributed to higher-level staff. Our bargaining unit employees are not responsible for the issues the nation is facing, and eroding the baseline workforce only furthers the issue of our top-heavy government. I kindly urge you to support the measures that protect and enhance the rights and welfare of federal employees. Thank you for your time and consideration. I look forward to your positive response. Sincerely, [Your Full Name]
