

WAHA Youth Achievement Awards Program

Enter or renew your membership in the WAHA Youth Achievement Awards Program. This program is for youth that show their horses in 4-H, WIHA, or open shows (Arabian or other USEF rated shows don't count) and for youth that do not have a horse to show but attend and help out at horse events. Points awarded are cumulative so they go from year to year until certain point levels are achieved. If you have questions, contact Nyssa Sheridan at 608-213-4595.
