

Centralized Purchasing

TCG Connect

Automated Business Processes

Secure Virtual Resource Center

Event & Meeting Tech

Cybersecurity & Compliance Support

Member Benefits:

Data-Driven Purchasing Insights:

Access centralized reporting tools that analyze purchase trends, supplier performance, and rebate tracking.

Secure Intranet & Data Hub:

Easily view your program participation, purchase history, and other details via our SECURE member portal.

EDI (Electronic Data Interchange)

automates the exchange of documents like purchase orders, invoices, shipping notices, and payment information. This reduces manual data entry, minimizes errors, and speeds up processing times.

Instant access to contracts, marketing assets, promotional calendars, and supplier catalogs, and TCG guidebooks.

Virtual Event Tools

Participate in webinars, vendor spotlights, and training hosted by TCG

Mobile-Friendly Conference Apps

Use apps to connect, view agendas, and access conference materials during TCG events.

Vendor Contract Assurance

TCG helps ensure supplier contracts are compliant with data protection and cybersecurity standards.

Secure Document Handling

Member systems are supported by TCG protocols for secure file exchange and privacy protection.
