

Empowering Businesses with Custom Training Programs

Leadership Programs, Conferences, and Professional Trainings: Planned and Delivered Seamlessly

Who We Are

Metis Planning Group helps professional associations, nonprofits, and organizations design and deliver conferences, leadership programs, and professional development initiatives.

Led by experienced program manager Julianne Jones, Metis specializes in the operational planning and coordination that keeps complex programs organized and running smoothly, from early program development through event and training delivery. Metis Planning Group is a federally certified Women-Owned Small Business (WOSB) and a Virginia Certified SWaM business.
