This fun, interactive adult learning course is an introduction into LEAN improvement process. This course uses clear, succinct lessons to build a solid foundation for creating a culture of continuous improvement and working together.

Participants in any industry, will learn-to-see and solve undesirable effects that cause “noise” or waste in the process. They will learn to break down barriers to improvement, remove process waste and apply practical skills for immediate use.

What participants will learn in the 8-hour training class:**4hr intro to LEAN, 8hr LEAN Basics**

- Learn to see 10 types of process waste
- Identify Value Add & Non-Value-Add activities
- Understand Voice of the customer
- Define Process Flow
- Learn observation through an OHNO circle
- Understand 5S Workplace Organization & Use of Visual Controls
- Build a deck of process opportunities

At the end of the 8hr course:

- Each participant will receive LEAN White Belt Certification

Ideal candidates for this course:

- Front-line workers & office employees
- Leaders, Supervisors, Managers, Directors
- Project leaders and team members
