This fun and interactive adult learning course teaches LEAN tools and techniques to deeply understand a process for effective problem solving and interactions with other processes.

Participants in any industry will learn to identify opportunities within a process while creating an environment to optimize workflow and maximize team performance.

What participants will learn in this training course:

- Includes all White Belt tools and techniques
- Three process mapping methods: process, spaghetti, VSM
- Five brainstorming techniques
- Prioritize problems and solutions
- Create opportunity sheets to present improvements
- Identify communication styles
- Introduction to leadership
- LEAN principles application philosophy
- Mistake-proofing and countermeasures
- Develop a future opportunity deck
- Implement 1 improvement

At the end of the course:

- Participants will each receive LEAN Yellow Belt Certification

Ideal candidates for this course:

- Front-line employees & Office Personnel
- Leaders, Supervisors, Managers, Directors
- Project managers and team members
