

Stonington High School Drama

Over the past 20 years, Stonington High School's award-winning theater program has been loved by the community and has been recognized with numerous awards. The 2018/19 season alone earned SHS over 20 award nominations and three wins, including the prestigious Sondheim award for Best Direction in a Musical to our talented and beloved director, Erin Sousa-Stanley!

Each year, over 100 students take part in Stonington High School Drama, either performing onstage, working stage crew, or set production and design. SHS Drama has become a valuable platform for many students as they learn life skills, create precious memories that they carry into adulthood and many of our alumni have gone on to work professionally in the field!

Beyond putting on these high-quality productions, SHS Drama is proud to announce a new community outreach initiative. This year, there will be a dedicated performance for Stonington community members, with special invitations extended to the town's senior adults as well as disabled adults and children.

However, to keep pushing the boundaries of high school musical theatre requires additional funds. That is why this year, we are adding a new component to our fundraising efforts: corporate/business sponsorship. We are seeking businesses that would like to sponsor our show season! In return for a sponsorship, your business will receive complimentary tickets to the show, special recognition in our program, advertisement in our lobby, concession exposure, and a special gift from SHS Drama students themselves!

We would sincerely appreciate it if you would consider making a donation, supporting the amazing work of so many talented students. Please see the sponsorship forms attached. We are so excited for this performing season and eager to have you be an integral part of its success!

Join SHS Drama for their performance of

Mary Poppins!

March 6, 7 and 8th!
