

In memory of one of our Last Chapter Riders every year, with the help of a local school, FL 2 makes Christmas happen for needy families in our area.

Last year we filled the Wish List for 16 children and Christmas Dinner for 7 families.

Our thanks for this has always been the smiles on the faces of the families, but sometimes getting a Thank You like this makes us all appreciate what we have and what we do for those in need.

I know 7 months have passed since the AMVETS rolled up in our driveway bearing Christmas gifts for the kids. But it has been on my mind for months to tell you how much your generosity that day meant to us. You visited a family raw from the shock and grief of my sister's murder by her own son, my nephew. We were sad and angry and confused. All of you provided a brief break from the heaviness that has overshadowed our lives. It remains an overwhelming presence in our everyday lives... still. So from the bottom of **Expressions** our hearts.

Thank you FROM  Hallmark all of our love & appreciation -
The Wille Family
