In Loving Memory - Jack Burns

1937-2019

Jack Burns was born in 1937 in National City, CA. He grew up in National City and Chula Vista. He was the oldest of 6 kids. His father was a diesel mechanic his whole life. Hanging out with his Dad at the truck yard is what gave him the love for trucking. He was driving trucks from an early age of 15. Driving trucks was the only occupation he ever had.

He met his bride Eva when he was 19 and she was 14. Her family was not too happy about the relationship at first. But grew to love Jack like a Son. They were married just a few years later and immediately started their family. Jack Jr., Jeannie and Jimmy. He worked very hard to support his family driving out of town all week. Eva stayed home to take care of the kids. They bought their first home in Chula Vista. Jack always loved the Country and finally convinced his wife to move to Jamul. That was in 1972. When Jamul really was in the middle of nowhere.

Jack and his brother-in-law started a hay and feed company called B & O hay and cattle. They ran it out of the property in Jamul. They re-located to the intersection of Highway 94 and Highway 54 on the same property of a fruit stand. They both worked their day jobs and hauled hay at night and weekends. When the owners of the fruit stand decided to retire, Jack took the opportunity to buy the fruit stand too. Eva and all the kids worked at the hay store and fruit stand while Jack hauled hay during the day and went to

LA to get fruit and produce at night. Jack still had a dream to be a large fleet owner. Hay and fruit was not what was in his blood. He eventually gave up both and focused on building his trucking empire.

With the support of his wife and children, he drove his own truck and added to his fleet one truck at a time. Burns & Sons Trucking Inc. was born. Jack, Eva and the kids ran the company along with some wonderful employees. The Company grew to be the largest construction trucking hauler in San Diego. Eva retired in the early 90's and turned everything over to Jack and the other employees. They have many employees that have been with the company 30 and 40 years. Jack un-officially retired in 2000. When Jack and Eva were not traveling, Jack came to the yard and office every day to check on things and give his input into daily operations. He was there just days before his passing. Counting trucks and asking why they weren't all working. He never missed anything.

Jack loved to party. His house parties became famous in Jamul. Always had a band as he loved music and loved to entertain people. His favorite food at his parties was pork and beef cooked in the ground. These parties would bring crowds of over 500 people. Jack loved every minute of them. Jack and Eva also hosted many Jamul fund raisers at their home. It was very important for him to give back to the Community he loved so much.

All 3 of his children moved to Jamul to raise their own children. Jack's Grandchildren went to the same school his own kids went to. Although by the time the Grandkids attended school there were 3 schools not just 1. Having all his Grandkids live so close brought the Grandkids to Jack and Eva's home often. Nothing brought Jack more joy than his family.

Jack went very peacefully on the night of March 14th 2019. He was listening to his favorite blues music and was surrounded by his loving family. He lived an amazing life and was loved so very much by so many.

Jack is survived by his beautiful Bride of 60 years, Eva. His sisters, Connie and Patty. His 3 children, Jack Jr, Jeannie and Jim. His Grandchildren, John, Melissa, Elizabeth, Joshua, Stephen, Amanda, Dakota, Janel, Jolene and Brandon. His Great Grandchildren, JJ, (who is actually John Jackson Burns VI) Quinn, Jameson, Alannah, Finley, Thomas, SJ, JR, Ellie Mae, Benjamin, Ava, Joel, Lola and Jett. He also has 2 more on the way courtesy of Elizabeth and Dakota. He was very excited about the 2 new additions to the family. The entire family will take great pleasure in sharing all the wonderful memories with all the great grandchildren. Such a legacy this man has left. His love will fill our hearts for an eternity.

Steele Canyon High School Graduation June 6, 2019 see details on Page 16

In Memoriam

Ken "Mr. Jamul" Rupe

October 24, 1940-March 16, 2019

Ken Rupe also known as Mr. Jamul, was born and raised in Glasgow, Kentucky. He was one of ten children and began working from an early age selling candies to factory workers. Later he earned his own paper route for the Glasgow Daily Times. Which he kept until joining the Navy following graduation from Glasgow High School in 1959.

Ken was assigned to be a photographer and journalist in the US Navy and was stationed at NAS Miramar in San Diego, California, where he was privileged to interview and photograph some of the first American Astronauts. Following his honorable discharge from the US Navy, Ken worked as newspaper reporter for The Sentinel where he started covering local politics, human interest stories. Ken

moved on to start his own marketing firm where he proudly ran political campaign for some of the first African-American men and women in San Diego politics. Not long after joining an advertising agency in La Jolla, Ken met his artist wife Mona Mills at an adult art class in La Mesa, they married four days later in Las Vegas. The two soon started a family and moved to Jamul in 1974 where Ken became a Real Estate Agent with Brotherton Realty. The pair purchased and subdivided land on Honey Springs Road in order to finance the building of their home, where Mona still lives. Ken later moved on to work at Century 21 Real Estate in Jamul and then after obtaining his Real Estate Broker's License in 1982, opened his own office, Country Properties.

Ken specialized in vacant land in the backcountry, personally "tromping the corner" of all parcels with his buyers so that they knew exactly what they were buying and no one could ever take advantage of them. Ken sold much land in Jamul several times over, through the years and was dubbed "Mr Jamul" in the early 80's. He really embodied his love of Jamul over the years, often taking unpopular stances in order to protect the open spaces and the resident's right to "quiet enjoyment" of their land.

Ken loved his horses, and he loved to ride with his children and neighbors around Jamul. Ken also loved to sing, son of a preacher, Ken was always singing and he was a member of the Lamb's Players musical Theatre group during the 1960's. Ken sang Karaoke with gusto at many east county bars and restaurants over the years - having his own regular gig at the Charcoal House in La Mesa among others. His favorite songs were always the energetic country songs such as "Boot Scooting Boogie" and "Prop Me Up By The Jukebox When I Die."

Ken was a driven, independent, courageous and generous man and he did not quail at offending people when he felt strongly about something, which was fairly often. He was brilliant in so many ways being able to fix and build almost anything, and able to solve complex real estate problems for his clients and friends. Like many of us, however, he was human, and was unable to solve some of his own problems in the end.

Ken lived and died in the place he loved the most, Lyons Creek, Jamul. He has taught many of us valuable lessons about living life with passion and purpose, and getting out there and "kicking ass and taking names." Which we should all continue to do in his honor.

Ken is survived by his daughters Mona Rupe (Tulsa, OK) and Kendra Atkinson (Glasgow, KY) and his two granddaughters Fiona and Juliet. He is survived by his ex-wife and friend, Mona Mills, and step-daughter Anna Mills (Jamul CA) and three of his nine siblings, Eula, Doris Ann and Becky and numerous relatives in Glasgow, KY. Memorial services will be held in Glasgow, KY this summer.

DEERHORN VALLEY ANTLER

—Kim Hamilton

WOW... WHAT A MEMORABLE SPRING!

It is still amazing how much green we've seen this spring— almost as if we were touched by a bit of the Irish. Those who think San Diego has no seasons have never lived in our backcountry. Poppies pop. Lupine is lush. San Diego sunflowers dot the hillsides, wild lilac turns blue and purple, and wild mustard comes up... well, everywhere.

If you like cooking with wild **SPRING GREENS**, there is plenty of choice this year. Stinging Nettle makes a deliciously wonderful soup and pesto. Miner's Lettuce is America's contribution to green (European) salads. Even the wild mustard, topped with butter and lemon juice, is a rustic delicacy.

A favorite green at our place is **MINER'S LETTUCE**. It hides under the oaks where it's shady and moist—a small, green, cup-shaped leaf atop a long stem. Its tiny flower grows right in the middle of the cup, and it makes wonderful addition to any green salad. Mild but savory. And of course... mega healthy!

Right now the **MANZANILLA** is in bloom. The English name is Chamomile, and sometimes Pineapple Weed because its little yellow "flowers" look a bit like miniature pineapples. Manzanilla is more common name here in the Southwest—if you crush its flower, you'll get a scent something like apple, or "manzanas." Add fresh flowers to salads, or dry them for tea. The leaves are fine, but it's the flowers that are super-packed with healthful nutrients. It's a great bedtime soother for sleep, eases digestion, and with a tad of honey or lemon, it's quite tasty. When I lived in Colombia, I drank it daily as a comfort brew for any upset—colds, flu, homesickness, or boyfriend woes. Recommended!

STINGING NETTLES grew profusely this year. **Tom Lamb**, our **Outer Jamul Fire Safe Council** President, is also a very experienced organic gardener, and

he first alerted me to the value of Stinging Nettle. I was complaining about how much had grown around our place after the Harris Fire. He proceeded to let me know it was great for the soil (a nitrogen-fixer), and incredibly delicious in soups. So for the last decade, I make Stinging Nettle Soup as soon as the leaves are big enough to pick (with gloves). Butter, potatoes, onions, broth, salt

and pepper are the basics. Top with some condiments and fresh *crema* or sour cream.

Once you've conquered your fear of the nettles, you will love the early spring, and have a whole different attitude toward them. They make a great pesto when substituted for basil (really!) They are bright green, delicate plants. Use gloves to pick (I don't always), and once you've separated leaves and stems, virtually all the sting in the leaves is gone. Blanche them in hot water if you're being extra careful. **NOTE:** Stinging nettles are NOT the same as the big purple nettles that are so hard to get rid of. Two entirely different plants.

STINGING NETTLE SOUP

- 1/2 cup butter
 - 3 cups sliced onions (2-3 medium)
 - 3 cups potatoes in chunks (3-4 medium)
 - 3 cups chicken stock
 - 2-3 oz nettles leaves (salad bowl full)
 - Small bunch of chives, snipped
 - Salt and freshly ground pepper
- Top up with cream, chives, cilantro, cheese, bacon... Go Wild.

DV COMMUNITY YARD SALE
SATURDAY JUNE 1st 2019

FIRE SEASON IS COMING... The other side of a magnificent spring is the added fuel it provides for wildfires. The invasive cheat grass is already browning. Once upon a time, native grasses covered our backcountry. Though still flammable, they held their moisture far longer into the hot summer months. Cheat grass, on the other hand, grows fast and furious. One day it's too green to cut, and then it seems to dry out overnight.

DEFENSIBLE SPACE is not just for your own home— it is also part of your responsibility to community and neighbors. Surviving the next wildfire is a team effort. Most of Deerhorn is accessed via private (dirt) roads, so the County provides no maintenance or brushing. As you look at your own roadside, think about your

neighbors who may need to evacuate past your home. When grasses and fuels line the side of a road, cars may not be able to get through. So we all need to make sure we don't endanger evacuating neighbors. Please clear to the edge of your road and help provide a safer route for emergencies and evacuations. That's the law, but more importantly, that's being a good neighbor.

POWERLINK GRANTS were awarded last month. To date I've heard from only a handful of Deerhorn residents, but all received full funding (\$2,327). Unfortunately grants are still going to Central Alpine and other areas originally excluded from the program. This has diluted the funds (not enough to go around) and greatly discouraged many highest-risk residents from even applying. Sadly, there is no community input in the process, and members of the Grant Committee are apparently focused more on their own jurisdictions (Alpine, etc.) rather than areas that face the greatest danger. Funding for only 1,509 highest-risk homes is now spread over more than 16,000 homes. So fewer people apply, and we remain a community at highest risk from fires started by— or allowed to grow— because of the presence of overhead Powerlink lines immediately to our east.

GIRL SCOUTS CLAIM IGGY'S ITALIAN GROTTO— On April 26-28, the *Sandra Ignosci Ranchito* again hosted Jamul Girl Scout Troop #2736 for its yearly campout. This year the troop is working on outside cooking with local foods. I am actually writing this before the event takes place, and I can't wait for the scent of grilled Chicken Alfredo, penne pasta, antipasto and more to waft over my way. I will definitely need to make an excuse to visit. **Elena Lane** neighbors, **Luis and Rosa Chavez**, help set up the (fire-safe) cooking grill, and typically Luis is tagged for a morning hayride. (He's a professional bus driver and chauffeur— how great is that!) The troop dubbed this year's campsite as *Iggy's Italian Grotto*—just one more example of a wonderful and homegrown Deerhorn Community event.

News to share? Please email me: khamilito@mac.com Much appreciated!

NOTICE OF PUBLIC HEARING

Proposed Change of election system and establishment of trustee areas for the Governing Board of the Jamul-Dulzura Union School District

You are hereby notified that resolutions have been filed with this office in accordance with Education Code Section 5019 for a change of election system and the establishment of trustee areas for the Governing Board of the Jamul-Dulzura Union School District.

YOU WILL THEREFORE TAKE NOTICE that the matter will come before the Board of Education, San Diego County, acting as the County Committee on School District Organization, on Monday, May 13, 2019 at 6 p.m. at:

Jamul-Dulzura Union School District
Board Room - District Office
14545 Lyons Valley Rd.
Jamul CA 91935

Guidelines for conduct of the public hearing are available at www.sdcoe.net/jamul-dulzuraupdates or by contacting Carmen Aguilar, administrative assistant to the superintendent at CPAguilar@sdcoe.net or 858-292-3515.

COUNTY SUPERVISOR
DIANNE JACOB

Making Communities healthier: The County is taking big steps to bolster services for those dealing with mental illness and substance addictions. Supervisor Kristin Gaspar, Sheriff Bill Gore, District Attorney Summer Stephan and I recently received initial Board of Supervisors support to create crisis stabilization centers and to explore expanding PERT, our Psychiatric Emergency Response Teams, into schools. These initiatives are part of a broader effort to radically transform the local delivery of care into a coordinated system that puts the needs of people, not programs, first.

Not a dumping ground: I continue to work closely with residents to fight the placement of sexually violent predators in our community. I've asked the state attorney general to investigate the disproportionate placement of these serial rapists and molesters in rural East County. Ten of the 13 predators released in our county have been placed in the Jacumba/Campo/Boulevard area. In their attempt to quietly house these monsters in SD County, state prison and hospital officials are exploiting small communities that lack resources and clout to challenge these placements.

Power of choice: The Board of Supervisors recently agreed to develop options for launching a community choice energy program. The vote opens the door to real competition in the energy market and aims to provide ratepayers with the freedom of choice. The board will be briefed on the development of the program over the next few months, with a detailed proposal expected to reach us in October.

For more district news, go to www.diannejacob.com or follow me on Facebook and Twitter. If I can assist with a county issue, please call my office at 619-531-5522 or email Dianne.jacob@sdcounty.ca.gov

Have a great East County Day!

Dianne

Community News

CERT Report, Teresa Greenhalgh

Cert in the Community

The SDCFA CERT-So. Division hosted their 2nd 2019 Prepare in a Year Campaign Pop-up Event. Ten CERT members welcomed residents at the Boulevard, Pine Valley, and Potrero Fire Stations. 29 local residents stopped by the Fire Stations and received a free family sized first aid kit to add to their 72-hour go-bags.

FEMA Home Hazard Hunt Check Lists were given to supplement the April Monthly Tip-Fire Safety (Home and Wildfire). If you missed the Quarter's Pop-up Event, we have two more to go. The Monthly Tips, activities and handouts can be found on the homepage of our CERT website: <http://sdcfacert-sdiv.com>

Your 2019 Prepare in a Year Campaign Costs to Date:

Jan. 0.00-if you received a 72 hour starter go-bag for FREE (\$28.00 value)

Feb. \$10.00-added a few food items to your go-bag this month

Mar \$20.00 took the Shopping Sweepstakes Challenge at a 99 Cent Only Store

Apr 0.00 found duplicate items at home and received a FREE first aid kit (\$15.00 value)

The goal of the **2019 Prepare in a Year Campaign** is to walk alongside our neighbors in preparing for emergencies. That includes building a 72-hour go-bag over the course of a year and on budget. To date you may have spent as little as \$7.50 per month to ensure your family is ready to evacuate with food and basic supplies. If you joined us at both Pop-up Events, so far this year, you saved at least \$43.00 by picking up the FREE starter go-bag and first aid kit. Please follow us on our journey by going to the SDCFA CERT-So. Division website for updates and previous Monthly Tips. To sign up to receive the Monthly Tips by e-mail, contact Teresa Greenhalgh, Program Manager at tgatsdrcert@gmail.com

Steele Canyon High School Graduation June 6, 2019

Vicky Ordway

The Steele Canyon High School Class of 2019 will hold their graduation ceremony on June 6, 2019 at 5:45 PM at the SCHS Stadium, 12440 Campo Road, Spring Valley. Gates will open at 4:30 PM. Traffic is extremely heavy on Campo Road during graduation so arrive early or consider using our free shuttle bus service from the Skyline church parking lot located at 11330 Campo Road starting at 3:30 PM with the last bus leaving for SCHS at 5:30 PM and return service until 8:30 PM. Disabled service is available on one shuttle bus. Please note that the shuttle buses experience the same traffic delays as individual cars. For more information please visit our website at schscougars.org or contact the school at 619-660-3500.

Jamul Kiwanis Hot Rod & Chili Cook-Off Raises Money For Local Scholarships

Saturday, April 13th was a sunny day at Pio Pico Thousand Trails RV Resort for Jamul Kiwanis Hot Rod & Chili Cook-off. A fun day was had by all viewing classic cars and motorcycles, tasting chili and enjoying the classic rock band, Flashback. The participants also enjoyed a raffle, a silent auction a beer garden as well as first responder displays. The Kiwanis of Greater Jamul would like to thank Pio Pico Thousand Trails RV Resort for hosting the event as well as all the generous participants who attended and gave to the scholarship fund for local high school seniors and eighth graders attending the Washington/ East Coast trip.

Life's Memories in Jamul

By George Merz

Memories of working on Rancho Jamul for Mr. George Daley

Last time I described some of my working memories while working on Rancho Jamul. By coincidence, I had the same room in the bunk house that my father had when he was working for Spreckles Sugar Company when they owned the ranch. More about this in later issues.

Mr. Daley always enjoyed riding horseback on Sundays and participating in any necessary work with the cattle. Sometimes he would invite friends to participate. My job was to get the horses ready, eat breakfast with him, and ride with them. We would all return for a delicious Sunday dinner at his house. I especially enjoyed the days when he didn't have guests. He would reminisce about growing up on his father's ranch North of Escondido, hauling freight with 8 big horses and eventually starting the contracting business.

Mr. Daley had an open account at the Dulzura Café. It was always a thrill, if I was working near Dulzura, to go to the Dulzura Café for lunch. I would tie my horse to the fence east of the café, and charge a big steak to Mr. Daley. If there were any kids around, they always were awed seeing a "real cowboy."

This was before television, in the evening we would listen to radio programs, such as Amos & Andy, Jotom Down Store, Lone Ranger and others or listen to western songs by Eddie Arnold, Little Jimmy Dickens and others. Some evenings I would play a card game with the farm workers called Pitch. I have forgotten how to play the game.

There were several cafes between Casa de Oro and Barrett Junction on Hwy 94. They all had dance floors and juke boxes. On weekends, some even had a Western band. Everybody along Hwy 94 knew my yellow 1936 Ford Coupe. Also on the weekends, lots of people from San Diego would come out to the country.

I would roam up and down the highway until I found something interesting. I might go as far as Tecate, if

I didn't find something interesting close to Jamul. But that is another story.

As I approached 18 years old I became concerned that I would need to register for the draft. My father told me that if I didn't join the service I would regret it for the rest of my life. This proved to be very good advice.

Mr. Daley offered to apply for a deferment so I could continue to work for him, however, I decided I wanted to go into the US Army Air Corp Cadet Program and become a pilot. One of the requirements besides passing the examination was to provide letters of recommendation from three local businessmen. Mr. Daley offered to obtain the letters for me. The letters were from Daley Corporation and three very prominent corporations in San Diego at that time, H.G. Fenton Materials, Western Salt Company, and Hazard Contracting. I still have copies of the letters. Next time, my entering the U.S. Army Air Corps in World War II. The U.S. Air Force was not established until 1948.

SOLAR self install

SOLAR self install

Do you know you can install your own?
We are here to help you do that!

- ➔ Save thousands on the big guys
- ➔ 30-50% savings, from \$1.05/w
- ➔ One flat fee for our services

You can do as little or as much of the installation you are comfortable with. Our service provides anything from **full self install** to **complete project management** where we work with a licensed and bonded contractor to do the **full installation**.

We help with survey, design, optimization, permits, pricing of equipment and delivery to install site.

We pride ourselves helping people self install solar electric (PV) in San Diego and East County.

New services include technical support for existing SolarEdge systems and annual tech support.

JAMUL/DULZURA SCHOOL DISTRICT

Elizabeth Bystedt Superintendent

April was filled with Egg Hunts at the Preschool, Kids Club, and Ms. Burkhardt's room. As we look towards May I want to remind you that May 6th is Teacher Appreciation Week and May 13th is Staff Appreciation Week. Please take a moment to write a little note to those that work directly with your children. You'll never know how much it means to them. Those notes get saved and reread throughout the years. I am so pleased to work with such dedicated professionals on a daily basis.

It's time to register your children for the 2019/2020 school year. We have been busy with the registrations that have already occurred and thank you for getting your paperwork in to us in a timely fashion. It really helps us with planning for next year when we know the number of students to expect at each grade level. Also, 7th grade families be sure you've scheduled your TDAP.

- For your calendars...
- Parent Advisory Group (PAGE) - May 9
 - Preschool Year-end Party - June 11
 - Oak Grove 8th Grade Promotion - June 12
 - Jamul Intermediate 5th Grade Promotion - June 12
 - Greater San Diego Academy 12th Grade Graduation - June 13
 - Kindergarten Testing - August 12 & 13
 - Kindergarten Round Up - August 14
 - 1st Day Of School - August 15

From Ms. Robinson's Desk at Jamul Elementary

The students at Jamul Elementary see themselves as authors. Writing is an excellent way to express themselves and get their creative juices flowing. Below are some pictures of Ms. Gillespie's class as they celebrate their writing at a Publishing Party. Students work hard to publish their pieces, share them with peers and eventually they become part of the classroom library. The acquisition of knowledge and skills through Writers' Workshop is priceless. We are excited to have begun registration for the 2019-2020 school year. If you haven't picked up your packet for a kinder student or registered online for all other grades, it's time to do so now. We will be hosting school tours for all incoming families interested in visiting our campus. Tour dates are as follows: May 16, 23, 30 and June 6 at 8:30 am. Please call (619) 669-7852 to schedule your visit!

School Cont. on Page 29

Community News

School Cont from Pg 28

From Dr. Salas' Desk at Oak Grove Middle

Fifth grade students visit and tour Oak Grove Middle School. Future 6th graders were able to go into several classrooms, including a science lab, a mathematics, history, and English classroom. Students also visited Physical Education classes and the library. The best part is that the tour was conducted by students in our ASB, and the Making a Difference, and Say Hello Clubs. Our students have developed outstanding leadership skills and are great role models for our incoming class. The tours are intended to provide insight about what life is like at middle school and to get them excited about their leadership role at our school. Oak Grove would be happy to arrange additional tours for interested students and parents. Please contact our school office if you would like to visit our school. (619) 669-2700. I would love to meet you!

From Ms. Bowes Desk at Greater San Diego Academy

One of the biggest and most anticipated events at GSDA is coming up soon. The Annual GSDA Showcase and Talent Show is on Saturday, May 18, from 10 AM to noon. This event takes place at the Balboa Club in San Diego's beautiful Balboa Park and is open to the public. Each year students prepare an end-of-year project on a topic of their choosing and share it with all who attend.

Last year, we got to learn about the history of Marvel Comics, and how Marvel compares to DC. We also saw a Kindergartener show a working model of a storm cloud, and another shared the crop of vegetables he grew. A sixth grade student explained the real world applications of calculus, while a first grader reported on the types and importance of service dogs.

After we have the chance to view all of the projects, we sit down to watch performances from our talented students. Whether it's a piano player, a singer, a dancer, or a comedian, these students excel at entertaining the crowd.

After the event, you will likely find GSDA families picnicking in the park or visiting one of the many nearby museums. The GSDA Showcase and Talent Show is a great way to celebrate another year of learning as a community.

Highway 94 (Campo Rd) IS BECOMING MORE DANGEROUS!

From Potrero to Jamacha/94 there has seen a steady increase in accidents along the 94 corridor. From simple fender benders, to rear end collisions to head on crashes. Many have caused serious injuries and even deaths. Not to mention expensive car repairs. The increase in traffic is noticeable. The causes vary including speeding, unsafe passing, unfamiliar with the road, slow driver, erratic driving, texting or on a cell phone, running red lights, passing on the right or passing in the center turn lanes. At the corner of Lyons Valley and Highway 94 there has been an increase in accidents even with the new traffic lights. Drive Careful/ Pay Attention/ Report Dangerous Drivers
