2026 Adopt-a-Family Christmas Program

DONOR INSTRUCTIONS

About each family: Each family includes one mother in recovery and up to three children.

How wish lists work: Each mother and each child will fill out a wish list with three gift wishes per person. Every item requested will cost less than $50.

You do not have to buy all three wishes. The three items are options to choose from, not a requirement to purchase every item.

1. Register: Complete and return the donor registration form. JCS will confirm your sponsorship.

2. Receive your family assignment: Families are identified by confidential family numbers rather than names.

3. Shop: JCS will share a separate Amazon Wish List for your assigned family. You may purchase gifts through Amazon or shop elsewhere.

4. Deliver gifts by December 19: Gifts must arrive by Saturday, December 19, 2026. Please allow shipping time. Drop-offs at Devin House can be arranged.

5. Label gifts: Clearly include your assigned family number on each package and gift.

6. Thank-you cards: JCS personally delivers gifts to each woman. She will complete a thank-you card, and JCS will mail it to the donor without sharing private contact information.
