Firestorm Cyber LLC Becomes Member of MSPAlliance®

Firestorm Cyber LLC joins vibrant global consortium of cloud, managed service providers and technology enabling vendors

Bogart, GA, August 30th, 2018 -- Firestorm Cyber LLC today announced that it has become a member of the MSPAlliance.

MSPAlliance is the oldest Managed Services group and the only Accrediting and Standards based body created specifically for the Managed Services Industry. With over 30,000 corporate members worldwide, the MSPAlliance is a very powerful and influential global network of IT professionals. MSPAlliance works in a collaborative effort with service providers, technology enabling vendors, governmental bodies as well as other industry associations, to further the acceptance of the managed services and cloud industry to the business consumer.

MSPAlliance Member companies' are able to achieve MSP and Cloud Certifications including, SSAE 16 Audits and ultimately achieve certification through the MSPAlliance MSP/Cloud Verify Program™

"We are delighted to have Firestorm Cyber LLC as a member of our global association," said Celia Weaver, MSPAlliance president. "By upholding the MSPAlliance Managed Service Provider's Code of Ethics, Firestorm Cyber LLC will work with MSPAlliance, as well as their industry peers, to help ensure the integrity of the managed services and cloud profession."

Firestorm Cyber is nimble and tactical in its service management and desires to be a technology partner of a business, above and beyond a managed services provider.

We strive to help our partners grow their businesses through efficient and secure use of technology.

ABOUT MSPALLIANCE

MSPAlliance® is a global industry association and accrediting body for the Cyber Security, Cloud Computing and Managed Services Provider (MSP) industry. Established in 2000 with the objective of helping MSPs become better MSPs. Today, MSPAlliance has more than 30,000 cloud computing and managed service provider corporate members across the globe and works in a collaborative effort to assist its members, along with foreign and domestic governments, on creating standards, setting policies and establishing best practices.
