COMMUNITY ORCHESTRA

2023-2024
BBCO sponsor

Join us as we **SHARE** the **BENEFITS** of **MUSIC** with Tallahassee and the Big Bend Community and **ENCOURAGE YOUNG ARTISTS** in their love of music.

For over 30 years, the BBCO has brought musicians together to share the benefits of music with one another and the community. It provides opportunities for community musicians to learn and play orchestral music together, encourages school age children to become interested in music through educational programs, and performs orchestral music for the public.

The BBCO has presented over 100 concerts and performed over 400 compositions by a variety of composers of music spanning four centuries. Programming includes standard and lesser-known masterpieces of the orchestral repertoire as well as lighter classics and “pops”. Three concerts are performed each season and are free and open to the public. Each concert allows children in the audience the opportunity to come on stage to see and hear the instruments “up close and personal.” The BBCO has enjoyed showcasing a variety of local talent including soloists of all ages from the orchestra itself as well as from the community. A “Young Artist Competition” is held each season in which the winners are given a chance to perform a solo with the orchestra.

By partnering with the BBCO you will be an integral part of us continuing to share music with our community as well as invest in our youth by highlighting exceptional young artists, amplifying their potential and investing in a lifelong love of music.

Your support and contributions will enable us to continue our mission as well as purchase and copy music, pay rental fees, and provide honorariums for our conductors.
