Cascade, Idaho (U70)

Christina Tindle
Pilot, Counselor, Author

Activate excellence through an adventure-learning approach while flight skills expand beyond expectations. Mix strengths, talents, and passion into tailored Life-flight Plans aimed towards higher potential and life satisfaction. Express your wildest heart-felt dreams, aloft and otherwise, with confidence, finesse, support, and the expectations that promise ongoing success. Witness how an aviation star is born from the inside-out!

Julie Boatman Filucci

WWaa Guest Speaker

Going Around: What A Critical Decision Teaches Us About Defining Failure

Julie has made her career in the aviation industry, first at Jeppesen Sanderson, then the Aircraft Owners and Pilots Association, Cessna Aircraft Company, and again at Jeppesen under Boeing Flight Services. In 2014, she founded JulietBravoFox Media, an aviation marketing and consulting company. She holds flight instructor and airline transport pilot certificates, with Douglas DC-3 and Cessna Citation Mustang type ratings. She set off for Portugal in 2014 to consult with a flight school to help internationalize the business and returns stateside summer of 2019.
