Momentum Continues

As we move further into our Centennial year, we continue to build meaningful progress and engagement across our alumni community.

I'm excited to share that we have received support to move forward with a historical marker initiative as part of our Centennial efforts.

We are also continuing to strengthen our planning for upcoming events and initiatives, and we appreciate the continued support and involvement from our alumni.

Together, we move forward—focused, committed, and proud.

In unity and pride,
Tina Brown
