Celebrating community, support, and scholarship excellence.

Message From the DCHSAO Chair

Momentum in Motion

As we move into March, our Centennial year continues to take shape with thoughtful planning, collaborative leadership, and steady progress. The Detroit Central High School Alumni Organization remains committed to honoring our legacy while building strong systems that support both alumni engagement and student success.

With 100 Years on Tuxedo approaching, our focus remains clear – preparation, organization, and meaningful action. From scholarship outreach to committee coordination and Centennial planning, each step we take strengthens our foundation for 2026.

This season is about momentum. It is about ensuring that our celebration reflects not only our history, but the pride, unity, and leadership that have sustained Detroit Central High School for generations.

As always, our work remains centered on supporting students, strengthening alumni connections, and preserving the history that unites us.

Together, we move forward – prepared, united, and Trailblazer Strong.

In unity and pride,
Tina Brown (Nelson)
DCHSAO Chair
