

Letters from Santa Fundraiser

Do you remember when you were little and how excited you were to get mail? What if you had received a personalized letter from Santa Claus?

We want to help create that excitement for the special child/children in your life. Each letter is addressed to your child and will compliment them on an achievement or good deed. Letters will be sent directly to the child and have a postmark from North Pole, Alaska. This would make a great gift for a grandchild, niece, nephew, cousin, or any other child in your life.

Now, if you have someone that has been “naughty”, we will be glad to send a letter to them stating that if they do not start acting better, they will be receiving coal for Christmas. This is something new this year and we are hoping that this will help and be fun at the same time.

Each letter is \$5.00. All profits from the sale of the letters benefit the Neighbors Against Cancer (NAC) – an new organization that is being put together to help cancer patients where the big groups or insurance companies leave off.
