REGENCY CONTURA RC500E

Medium Gas Stove

RC500E shown in black cast with volcanic stones and rear venting (unit shown without mandatory safety screen).

3-SIDED GAS STOVE

The Regency Contura RC500E gas stove boasts a sleek and fresh design that compliments any contemporary space. The fire is presented in a curved 3-sided panoramic view where clean lines and monochrome colors serve to emphasize the tall and radiant flames. Available in black or white, you can customize this modern gas stove with a bed of crushed glass, volcanic stones or a traditional log.

SPECIFICATIONS	NATURAL GAS	PROPANE

REGENCY CLASSIC™ C34 • C34E

Small Gas Stove

C34 shown with black legs, black door and safety screen.

CLASSIC FIRE

The Regency Classic gas stoves seamlessly blends the classic aesthetics of wood stoves with the modern convenience of gas. These stoves do not require an existing chimney and can be installed with a direct vent to use outside air for combustion, allowing your home to maintain an everlasting cozy ambiance. This Classic series, like all Regency gas stoves, operates safely without electricity - keeping you warm with radiant heat.

COMFORT CONTROLS

Fire Genie Remote

Proflame remote

Proflame II remote

Wall Thermostat

Turn your fire on and off with our comfort remote controls. They can be used as a thermostat, allowing you to set and automatically maintain the desired temperature no matter where in the room you are sitting.

A Regency wall thermostat is a hands-free solution that helps you maintain a constant temperature in your home. Choose the programmable wall thermostat and set different temperatures throughout the day to match your lifestyle.

MAXIMIZING COMFORT AND EFFICIENCY

Direct vent technology allows you to install a Regency stove almost anywhere in your home - no chimney is needed. From the top of the unit, simply vent your stove through an exterior wall. Direct vent units have a sealed combustion chamber; outside air is used for combustion resulting in a warmer home and improved indoor air quality.

ENJOY YOUR REGENCY — FOR LIFE

You'll be happy with your Regency for years to come; our Limited Lifetime Warranty guarantees it. Not only have we invested in quality workmanship, the finest materials, and durable, heavy-duty construction, but we have carefully selected a dealer network that is committed to your satisfaction. We know that you will be as proud of your Regency as we are.
