

Media Converters

Rack Mount Chassis - 1U, 12 Slots

The Axiom 1U Rack Mount 12 Slot Media Converter Chassis is specifically designed to accommodate our MC01, MC03, MC08, & MC10 Series Mini-Media Converter line up. The 1U rack mount system is designed for space saving by providing power with a single, internal, universal power supply that eliminates the need for the multiple power connections which is usually associated associated with multiple converter installations. It provides hot-swap capability so individual units can be replaced as your network needs change.

Features:

- Media Converter Capacity: 12-slots in front for slide-in-modules
- LED Indicators: Power, Fan A, Fan B (On: operating; Off: device or fan fail)
- Power: Universal input 100~240V, 50/60Hz, 3.0~1.5A Redundant Power Supply
- Temperature Rating: 0~50 degrees C (operating), -20~70 degrees C (storage)
- Humidity: 0~90% (non-condensing)
- Enclosure: Metal
- Dimensions: 440mm×245mm×45mm
- Weight: 3.2kg
- Compliance: FCC Class A, CE-mark
