Participants in the 2024 New Bern Cup

One of the special aspects of the New Bern Cup has to do with the fundraising efforts that result in donations geared to a designated local non-profit organization. For the upcoming 2025 event, the tournament has selected The Bike Box Project (www.bikeboxproject.org), a 501(c)(3) nonprofit organization now completing their 5th year.

Bike Box signature program, called Rock Steady Boxing, is geared to providing supervised beneficial fitness classes for people with Parkinson's disease. These classes have proven to be a great resource that meets their special needs, helping to cope with the effects of Parkinson's.
