

The red apple

A tall tree

An old building

The loud storm

The tired cat

An angry hornet

A new car

The cloudy day

The shiny beetle

A pretty picture

An open door

The smooth wood

The tired dog yawns.

A blue bird flies.

A happy clown laughs.

The antique vase shatters.

The sparkling water ripples.

An orange butterfly hovers.

Sit on the yellow rug.

Jump over the last hurdle.

Climb up the rocky hill.

Walk beside the kind friend.

Look around the big room.

Crawl under the wooden table.

The happy children watched the tiny frog.

The small boy helped the new child.

The huge hawk spotted a tiny mouse.

A fast car passed the slow van.

The strong woman lifted the heavy box.

The fluffy dog chases a striped cat.

The green lizard jumped on the rock.

The frosty snow sparkled in the sunlight.

The gray cat slept on the couch.

A juicy pie bubbled in the oven.

The tiny chicks stayed in the nest.

A black bug crawled on the leaf.

The breeze blew swiftly outside the window.

The rabbit hopped quickly into the garden.

A bird sang cheerfully in the nest.

The ducks swam happily in the pond.

The boy walked bravely through the forest.

A leaf fell silently to the ground.

The starfish lay quietly in my aquarium.

The children took a bite of their cake.

I quickly slid down the slide.

We sat nicely on our striped couch.

She walked across the wide bridge.

The blue mailbox across the road is mine.

My new bike is shiny and red.

Oh! Look at the beautiful rainbow.

I would swim, but the pool is empty.

Wow! The moon is full tonight.

I played the piano while it rained.

Oops! The milk spilled on the floor.
