BY SPRING

SKILLS

Spring Color by sight words and ABC's is a sample of several Color by Skills Printables. These activities are a fun and engaging way to practice sight words, word families and alphabet letters with your preschool, kindergarten or first grade students. Students will work on sight word identification, fine motor skills and spelling or letter matching, identification and coloring/fine motor skills. Each unit is sold separately and in a season bundle. Your students will look forward to this each season.

The illustration is a black and white line drawing of a garden scene. It features several flowers of different shapes and sizes, some with multiple petals. There are also several leaves of various shapes and a bird with its wings spread. The words 'look', 'you', 'it', 'my', and 'see' are scattered throughout the drawing, placed within the outlines of the various elements. The words are in a simple, sans-serif font. The overall layout is designed for a coloring activity where the words are used as a guide for coloring different parts of the scene.
