

Van Gogh

Henri Rousseau

Andy Goldsworthy

Your House Challenge in Dart Class is to find out about the artists (above) and their work. We will be having a quiz in our houses before we finish for Christmas.

Try to find out about their nationality – where they were born. What type of art they produced – paintings, collage etc and what their style was. There will be questions and a picture round too. You could maybe find out about the titles of some of their most famous works of art.

Your work at home will really benefit your House. Good luck Dart.
