

Harvest Song

There is a farmer who stands in his fields, and he sees all the work to be done.
He has been watching for many a month, he's been waiting for this day to come.

There's a song to sing as the harvest comes in, To the One who gives sunshine and rain.

Let us all join in with a thank-offering for the harvest that's gathered again.

There was a time when the fields were prepared, And the good soil was carefully ploughed.
Then came the day for the farmer to sow and the seeds were all scattered around.

There was some time for the farmer to wait as the seeds slowly grew out of sight.
Then came the day when the first shoots appeared, And the farmer was filled with delight.

Now is the time when the crops are full grown, and the farmer must gather them in.
He'll needs some help 'cause there's lots to be done, and it's hard to know where to begin.

Turn Back the Clocks

Turn back the clocks now that harvest is over and done.
Look for the signs all around that the autumn has come.

The days are getting shorter, the nights are drawing in.
The air's getting much colder, now autumn time has come again.

Look at the beautiful colours, that blaze from the trees.
Orangy-red, green and yellow, so lovely to see.

Sweep up the leaves that are falling all over the ground.
See all the squirrels go storing up nuts they have found.

Soon there'll be grey misty mornings and fresh chilly air.
We'll wrqp up warmly, but most of the trees will be bare.

The days are getting shorter, the nights are drawing in.
The air's getting much colder, now autumn time has come again.
Now autumn time has come again.

Find a Little Seed

Verse 1

Find a little seed
Plant it in the ground
Wait for it to grow
Don't disturb it!
Don't expect to see
Changes overnight
If you wait a while
You'll find new life.

Chorus

Sunshine will come
Raindrops will fall
Your little seed will grow again.
Soon there will be a day in Spring when
Your seed blossoms and grows.

Verse 2

Find a seed of love
Plant it where you can
Wait for it to grow
Don't disturb it!
Don't expect to see
Changes overnight
If you wait a while
You'll find new life.

[Chorus]

Verse 3

Find a little seed
Plant it in the ground
Wait for it to grow
Don't disturb it!
Don't expect to see
Changes overnight
If you wait a while
You'll find new life.

[Chorus]

And that's that!
