

Collage angel.

Angels in art....

Hand-print angel.

This week we have been looking at angels in art in our 2022 Art's Week.

We would like you to help your House by joining in with our House Art Challenge and you can do this by creating an angel in whatever art form you choose. Your pieces of art will gain points for your House.

Please bring your angels into school when you have made them – the deadline is 16<sup>th</sup> Dec 2022.

Your work at home will really benefit your House. Good luck Merlin.
