

Pablo Picasso

Abram Games

Anthony Gormley

Your House Challenge in Trent Class is to find out about the artists (above) and their work. We will be having a quiz in our houses before we finish for Christmas.

Try to find out about their nationality – where they were born. What type of art they produced – paintings, collage etc and what their style was. There might be questions on their background too – like – where they trained as an artist, interesting facts about their lives.

There will be a picture round too. You could maybe find out about the titles of some of their most famous works of art.

Your work at home will really benefit your House. Good luck Trent.
