Dear Parents/Carers,

### Lunch Time Golden Table

This week, we have introduced the **Golden Table!** Every Friday, pupils who have displayed excellent behaviour during lunchtimes will be selected to sit at the Golden Table, where they will enjoy a special treat. This is our way of celebrating positive choices, good manners, and kindness. Well done to Joshua, Thomas, Nyla, Nell, Adrianna, and Esme who earned their place on the Golden Table this lunchtime.

### Breakfast Club Survey

If your child has ever attended our Breakfast Club, we would appreciate your feedback. As an early adopter of the Government's Free Breakfast Club scheme, your views will help us evaluate the scheme and make improvements to the club. Please complete and return the survey being sent home today. Thank you for taking the time to support this.

### Keeping Warm in Cold Weather

Please ensure that your child comes to school suitably dressed for the weather. Children will continue to spend time outdoors during playtimes and lunchtimes, so it is important that they are well prepared for the cold. Legs should be covered with tights or trousers, and children should wear warm coats, along with hats, gloves and scarves when needed. Staying warm helps children stay comfortable, focused and ready to learn throughout the day. Please refer to the school's uniform guidance to ensure all clothing meets our uniform expectations while still providing warmth.

### Homework

Homework is set for all pupils each week and this reinforces and secures learning that has taken place at school. Homework also prepares children for their next phase of learning, especially when children are moving from infants to juniors and juniors to secondary school. Insisting that homework is completed each week is very difficult for a school to enforce, however, research shows that children who work at home achieve higher grades than their peers who do not complete homework. At Sale and Davys we are very lucky to have parents who are very supportive and who want their children to do well at school. I know many parents sit with their children and help them to complete homework on a regular basis and this is extremely beneficial for your child, providing one-to-one tuition! Thank you for your continued support with homework.

### Attendance

We know that being in school every day and on time gives children the best chance to succeed. We are proud that most of our pupils maintain excellent attendance, and we would like to thank parents for supporting this positive habit and helping to build resilience in their children. We also understand that children can become unwell from time to time. This is why our whole-school attendance target is set at 96%, allowing for those occasional, unavoidable absences. If your child's attendance falls below 90%, this is classified as persistent absence under government guidelines, and we are required to take appropriate action. Should this occur by the end of the term, we will contact you to discuss how we can work together to support you and your child in improving attendance. Our aim is always to ensure every pupil can fully access their learning and feel confident and settled in school.

### Reporting Absence and Lateness

Please call the school to report your child's absence before 9.20 on the day of the absence and each subsequent day of absence, and advise when they are expected to return. Children will be recorded as late if they are not in their classroom for 8:50am. If your child arrives after registration closes at 9.20am this will be marked as an unauthorised absence.

We continue to offer a Free Breakfast Club with drop off between 8:00 and 8:20am. J&J Sports is our provider for the After School Club, which runs Monday to Friday.
