

24/09/26

Dear Parents,

*Our current History topic is 'The Great Plague of 1665 - 1666'. We have been learning all about: the origins of the plague, what people thought might have caused it and the real cause of the outbreak plus the cures they tried and how it ended.*

*We have arranged a school trip to Eyam in Derbyshire, where the plague reached in 1665 from London. The trip will include a walk around the 'Plague Village' to see the plague cottages, the church and visit the museum there.*

*The trip will also include: entry to the museum, a talk in the church about events that took place during that time and the cost of the coach.*

*This trip has, in the past, been a very enjoyable and valuable learning experience for the children and a wonderful way to bring all we have learned about together in a 'real-life' setting.*

*Please provide your consent and payment via Parent Pay. The cost of this trip will be £15. The children will need to wear school uniform and bring a waterproof coat on the day. They will also need to have a packed lunch.*

*Thank you for your continued support.*

*Mrs Fenlon and Mr Comasky*
