

“Ancient Egypt” Homework Grid

- Choose a different homework each week
- Ensure you follow the homework instructions accurately
- Date and title each piece of homework. This should be underlined in pencil, using a ruler.
- Writing should always be on lined paper
- Please write in joined handwriting using a handwriting pen or a pencil. Biro should not be used
- Rulers must be used for straight lines and underlining
- All art work should be drawn in pencil and coloured with pencil crayons unless other media is specified
- Homework should be handed in on Mondays, Tuesdays or Wednesdays.
- Please include a printout in your homework book of any work emailed to school.
- An adult must check your work for quality and presentation.
- A merit will be awarded for each homework completed and additional merits will be given for your presentation

ART	ENGLISH
Create a picture of an Egyptian God. You can choose the media you use, eg, paint, collage, pastels. Label your finished piece.	Find out about an Ancient Egyptian God. Write a factfile with your work organised under subheadings.
GEOGRAPHY	COMPUTING
Where is Egypt? Which are its neighbouring countries? Draw and label a map including these words: Luxor, Cairo, River Nile, Valley of the Kings, Valley of the Queens, Mediterranean Sea, The Red Sea. Add the names of neighbouring countries to your map.	Research the Ancient Egyptian civilisation. Make a Powerpoint presentation or a typed Word document. You can print your work to go in your homework book or email your presentation to school. <i>jcomasky@saledavys.derbyshire.sch.uk</i>
HISTORY	Design and Technology
Ancient Egyptian writing was called Hieroglyphics. Research your name and write it in hieroglyphs as if on a tablet or papyrus scroll. Make your hieroglyphs colourful. You can age your work if you wish. Research techniques to do this.	Design and build a model of an Ancient Egyptian boat to sail on the River Nile. Add labels to your design.
