

How to stop it?

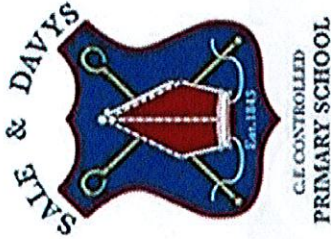

If you feel like you are being bullied then the first thing to do is tell a teacher or a trusted adult who will work with you to solve your problems.

Stay positive and stay safe.

These actions might help you: Tell them you don't want them to carry on. Walk away/ignore them. Use the worry box if you are scared to speak to someone.

What is bullying?

Bullying is when somebody hurts someone repeatedly. This could be either cyber, emotional, physical or mental. Bullying is very serious.

It needs to be stopped!

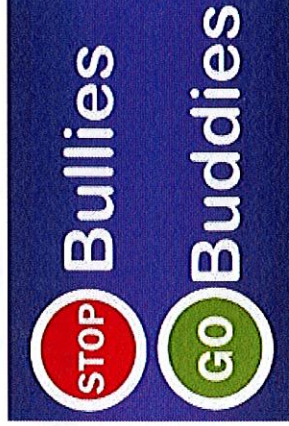

Don't put up with it!

Mrs Briggs is in charge of safeguarding at this school but if Mrs Briggs is not there you can speak to Mrs Fenlon!

What should I do if I see someone else is being bullied?

1. Tell an adult straight away.
2. Don't try to get involved because you might end up hurt or in trouble yourself.
3. Don't stay silent or the bullying will keep happening.

The Head, the Governors and staff will work together to:

- *Make our school a place where everyone can feel safe and happy that means no bullying allowed.
- *We will help everyone to get on with each other and we believe that everyone has the right to be who they are.
