		<i>classroom.</i>	<i>Doors in corridors to be left open. Toilet doors to be propped open for younger children.</i>		
<i>Possible contamination from use of toilet/welfare facilities</i>	<i>Pupils, staff, visitors, and the general public becoming infected with COVID-19:</i>	<i>Pupil classes will have set toilets designated for their use. Staff and pupils must wash hands thoroughly after using toilet facilities. Sufficient liquid soap will be available at all times in all toilets, this will be checked daily by cleaners and will be topped up in between if required. Only liquid soap is permitted in school. Hand drying will be disposable towels only. Bins in toilets will be emptied daily.</i>	<i>Ensure that there are sufficient stocks of soap available</i>	<i>All staff, pupils and parents aware.</i>	
<i>Possible</i>	<i>Pupils, staff,</i>	<i>Break times staggered with staff and</i>	<i>playgrounds, fields etc.</i>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom and when?	Completed
<i>contamination from inadequate social distancing or cross contamination of equipment at Break times or during outdoor learning activities</i>	visitors, and the general public becoming infected with COVID-19:	<i>pupils allocated specific break times and areas to be accessed. Fixed external play equipment to be allocated to specific year groups, Only hard equipment that can be sanitised prior and after use to be available to pupils. If pupils are eating, hands to be washed . After outdoor activities – staff and pupils to wash hands.</i>	<i>designate/zones/times and supervision ratios in place. Trim trail to be used on a weekly rota basis for classes.</i>	<i>All staff, pupils aware.</i>	
<i>Possible contamination from inadequate social distancing or cross contamination of equipment</i>	Pupils, staff, visitors, and the general public becoming infected with COVID-19:	<i>Lunch times staggered with staff and pupils allocated specific lunch times and areas to be accessed. Areas used for eating to be set up to maintain social distancing eating Pupils eat in own space. If the same tables are being used by different pupils over lunchtime these will be cleaned with disposable cloths and anti-bacterial hard surface cleaner in between sittings. Pupils to wait in lunch areas until all of “class group” finished before going either out to their designated play areas or back to classroom. Only hard equipment that can be sanitised prior and after use to be available to pupils</i>	<i>Staff to have a time slot for lunch in order to use staffroom facilities. Staff to only use in their allotted time.</i>	<i>All staff and pupils aware.</i>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom and when?	Completed
		<i>Supervised hand washing of pupils prior to lunch.</i>			
<i>Possible contamination from inadequate social distancing in other communal gatherings - assembly</i>	<i>Pupils, staff, visitors, and the general public becoming infected with COVID-19:</i>	<i>No communal gatherings. Collective worship to take place in the individual class spaces.</i>		<i>All staff and pupils aware.</i>	
<i>Insufficient access to first aid</i>	<i>Pupils, staff, visitors, and the general public may sustain greater injury through inadequate support and treatment</i>	<i>Sufficient first aid provisions are in every teaching space.</i>	<i>Paediatric first aiders always on site. Paediatric first aider in reception bubble. 6 paediatric first aiders on site.</i>	<i>Staff aware</i>	
<i>Possible contamination by close contact when providing first aid or care to pupils</i>	<i>Pupils, staff, visitors, and the general public becoming infected with COVID-19:</i>	<i>Disposable gloves are universally recommended to be worn when providing first aid and this should be adhered to. Where it is considered necessary due to the close proximity of care required, disposable fluid resistant surgical face masks and disposable aprons are available and should be worn by staff delivering first aid or providing care.</i>	<i>All equipment available to staff. PPE equipment given to staff. Following Government guidelines children will not wear masks.</i>

Possible contamination from a symptomatic person on site	Pupils, staff, visitors, and the general public becoming infected with COVID-19:	Symptomatic person should not be on site – see first section. Should a staff member arrive at school or become symptomatic whilst at school they will be required to leave site immediately, if they need collecting, they will sit in a dedicated room, isolated. Should a pupil become symptomatic whilst at school they will be isolated in a room supervised by a staff member who will be required to wear a fluid resistant surgical face mask, disposable gloves and apron for the duration of the supervision, parent/carer will be contacted and required to collect pupil asap. Staff member supervising will then remove all PPE and dispose on into a plastic bag for immediate disposal outside and will wash hands thoroughly – staff member will be given the option to go home and thoroughly shower/change clothes. Government guidance will then be followed		All staff, parents and pupils aware	
Insufficient or inappropriate PPE available or misuse of	Pupils, staff, visitors, and the general public	Disposable gloves and aprons and masks, and aprons available for use as identified required.		All staff aware.	

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom and when?	Completed
PPE	becoming infected with COVID-19:	<p>Where PPE is identified as required for a task it must be worn, for general teaching and pupil supervision in line with government guidance PPE is not recommended.</p> <p>Staff will be shown how to put on a face mask.</p> <p>Staff will be shown how to safely remove apron and gloves.</p>			
Inadequate management of circulation areas	Pupils, staff, visitors, and the general public becoming infected with COVID-19	<p>The movement of staff and pupils around the school to be planned and managed when moving to different areas for break times, lunch times and when accessing other areas with unnecessary movement around the school restricted.</p> <p>Whilst it is acknowledged that fire doors play an integral role in school safety, it is currently assessed that key corridor doors will be held open to avoid handle contamination.</p> <p>Fire doors to be closed when pupils leave site.</p>		All pupils, staff aware.	
Possible contamination from inadequate social distancing/equipment contamination in staff areas i.e.	Pupils, staff, visitors, and the general public becoming infected with COVID-19	<p>Social distancing measures of 2 metres should be observed wherever possible by adults.</p> <p>Staff wherever possible to limit movement around the school. Only 4 people in the staffroom at a time.</p>		All staff aware	

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom and when?	Completed
<i>staffroom, staff offices, PPA rooms etc.</i>		<p><i>Staff to wash hands prior on entering staff room before preparing food or making drinks.</i></p> <p><i>Hand soap to be available in staff room and used before touching any communal equipment such as kettle, fridge cupboards dishwasher.</i></p> <p><i>Where shared computers are used for PPA, desk, computer, keyboard, and mouse to be cleaned using antibacterial cleaning materials prior to use.</i></p> <p><i>Windows to be opened to enable circulation of fresh air when occupied, windows to be opened/closed using disposable tissue.</i></p> <p><i>Hands to be washed before using the photocopier.</i></p>	<p><i>Office staff to clean photocopier at lunchtime and after school.</i></p>		
<i>Insufficient or ineffective cleaning</i>	<i>Pupils, staff, visitors, and the general public becoming infected with COVID-19</i>	<p><i>Cleaners should continue to wear clothing and PPE as determined by their existing risk assessments.</i></p> <p><i>Standard cleaning regimes have been adapted and updated to ensure all areas being used are cleaned daily with all hard surfaces disinfected with suitable antibacterial cleaning products (where appropriate, disposable cloths/tissue to be used for hard surfaces such as desks,</i></p>	<p><i>Communication with cleaners.</i></p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom and when?	Completed
		<p><i>bookcases etc)</i> <i>in addition to standard cleaning regimes.</i> <i>Toilet and washroom areas, food preparation areas and staffrooms are cleaned daily.</i> <i>Staff are expected to maintain the staffroom clean and tidy during the day, clearing up after themselves and wiping surfaces with antibacterial spray and disposable tissue as they go along.</i> <i>Where non disposable cloths/mops are used, cross contamination must be carefully considered, and these must be disinfected daily after use.</i> <i>Additional cleaning of touch points is taking place daily (all door handles, light switches, and handrails).</i> <i>All internal bins will be emptied daily to external bins.</i> <i>In the event of a confirmed or suspected COVID-19 case in the school, government guidelines of additional cleaning will be followed.</i></p>		<p><i>All staff aware</i></p>	
<p><i>Ineffective management of potentially contaminated waste</i></p>	<p><i>Pupils, staff, visitors, and the general public becoming</i></p>	<p><i>Standard waste will continue to be managed in line with existing arrangements.</i> <i>Any waste that is considered to be</i></p>	<p><i>2 bags in every learning space.</i></p>	<p><i>All staff and</i></p>
