Being a Rainbow is all about
having the space to try new things
and have fun. Rainbows learn by doing
– they get their hands dirty, do sports,
arts and crafts, and play games.
Through taking part in a range of
different activities with girls their own age,
Rainbows develop self-confidence and
make lots of new friends.

'Because of Rainbows
she is more confident,
she speaks about her
feelings clearly and
she is able to express
herself in a very
positive way.'
