Parent

- The school has installed ICT equipment (computers which are connected to the internet) to help with your child's learning. The Internet Service Provider use by this school provides a continually updated, filtered service to attempt to ensure only acceptable Internet sites are available.
- Your child's teacher will only set ICT work which is related to the curriculum and which will benefit their learning.
- Your child may make other use of ICT equipment but only with the approval of a member of staff and only under supervision.
- We encourage you to contact the school if you have any concerns regarding your child's use of ICT provision.

Parental Declaration

I have read the school's policy for pupils use of ICT and agree to allow my child to use the resources for the purposes described.
