Dear Parents/Carers,

Welcome back to the new school year! It's lovely to see you all again. The children have settled really well into their new classes and they all look extremely smart in their new school uniforms. Thank you so much for ensuring that the children are wearing the correct clothing. As always, we have lots of exciting things happening this term. I will produce a weekly newsletter to keep you up to date with all that is happening.

Personal Information

Please update the school office with any changes to your contact details..

Equipment for junior children

The school will provide all equipment for children but if parents want to purchase items for school, the following list may be helpful: A pencil case that will fit into a school tray, whiteboard pens, flixion pens, pencils, sharpener, rubber, highlighter pens, a separate pencil case with coloured crayons.

Attendance

Attendance is extremely important and it is closely linked to attainment and progress. Research shows that those children with low attendance achieve lower SATs scores. We understand that all children get ill from time to time but if they have a cold or a cough or mild symptoms please send them into school. We will always contact you if we think your child needs to go home.

School Meals for junior children

School meals are available for all junior children at a cost of £3.25. If you would like your child to have a school meal then please contact the school office.

Kind regards

Sarah Briggs
