Dear Parents/Carers,

Parent helpers

We are looking for parents/grandparents that would be able to support the school in accompanying Griffon class to their swimming lessons on a Monday morning and to help with Forest School activities on a Friday afternoon. Volunteers will need a full DBS, which the school will arrange. Please see Sarah on the gate if you are able to help. Thank you.

School Uniform information for September

We are always very proud of how smart our children look in their school uniform and starting from September, or before if you are able to, we are asking parents to ensure that skirts reach at least the knee. Thank you for your support with this, as I know we all have high expectations of dress code for the children.

Makeup

Please can I remind parents that makeup, false eye lashes and false nails must not be worn to school. Inline with our school policy children will be asked to remove such items. Thank you for your support with this.

Attendance

Attendance is extremely important and it is closely linked to attainment and progress. Research shows that those children with low attendance achieve lower SATs scores. We understand that all children get ill from time to time but if they have a cold or a cough or mild symptoms please send them into school. We will always contact you if we think your child needs to go home.

Forest School Activities

Forest School sessions will recommence on Friday 7th June for Dart Class. If any parent is able to help with these sessions then please contact the school office where we can arrange for a DBS.

Swimming Griffon Class

Swimming will take place for Griffon Class during the last half term of the summer. Sessions will start on Monday 3rd June. Consent letters will be sent out shortly. Swimming sessions for Trent Class will end this week.

Equipment

If you wish to purchase equipment for your child ready for the second half of the Summer term, the following items will be needed: blue frixion pen, whiteboard pens, pencil, ruler, rubber, pencil sharpener.

Safeguarding

We are aware that roadworks are taking place on routes surrounding Barrow. If these roadworks affect your journey and you are running late then please ring the school so that we can ensure that your child remains in the atrium until they can be collected.

School Trips

The class teachers have organised some exciting and educational school trips for the Summer Term. Letters will be sent out later this week. Payment and consent should be made on Parent Pay. If any parent is able to help out on the school trips then please contact the school office.

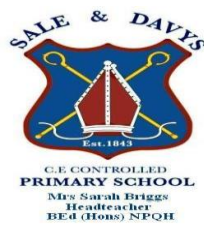

Kind regards

Sarah Briggs
Headteacher
