

# NEWSFLASH!

## SCHOOL SUPPLIES TO BE GIVEN AN UPGRADE THANKS TO PERSIMMON HOMES

We are very excited to announce that Sale and Davy's Parent Teachers Association (PTA) have been awarded a £1,000 grant from Persimmon Homes North Midlands. The donation will be going towards new educational books for the school. The PTA have been raising funds to contribute towards the cost of new educational books which will cost around £2,000

Persimmon donates up to £64,000 a month to fund initiatives as part of the highly successful Community Champions scheme. Sale & Davys School PTA is a registered charity and works in partnership with the school to raise funds to improve the experience for all children. It works closely with teachers and parents sharing experiences and ideas about how to improve and support the school and pupils.

Hayley Nash, from the PTA, said "We're over the moon to hear that Persimmon has chosen us to receive this donation. The pandemic has meant that we've not been able to hold as many fundraising events as we had hoped for, and this has had a massive impact on our budget. Now that things are getting back to normal, we've recently held a clothing sale and are in the process of organising a chocolate bingo evening, Easter egg hunt and film night. "Future events will also include a Christmas raffle and disco, but we need the funding now to give these children the best possible education."

Nadine O'Dowd, sales director at Persimmon Homes North Midlands, said: "We're delighted to be supporting Sale & Davys School PTA with our Community Champions donation this month. "Books can really help the development of children from an early age, especially when it comes to understanding basic language skills and expanding vocabularies. "We really wanted to get involved because we feel that local children have suffered enough with Covid restrictions over the last couple of years so hopefully this donation will put some big smiles on faces."

# **2022 Challenge**

## **has been extended to 27th May!**

**We can't wait to see what you have planned over the holidays for your challenge 2022 sponsorship.**

**We have had some great ideas so far.**

**cake sales, bmx bike riding,  
swimming, making fridge magnets,  
sponsored silence,  
cartwheels, easter cards  
and these are just a few.!**

**Feel free to send us your pictures to share on our facebook page.**

**We love seeing all of your ideas.**

**Which house team will win the challenge and the prize???**

**Thank you once again for all your hard work .**

**Without your continued support we couldn't raise the money we do for the school and our children.**
