Tuesday evenings

- Junior Voices -** This group of singers is for children in Y3-Y6. They are taught a range of music and are introduced to part-singing. The children are encouraged to use good diction and tone, and to develop their vocal range and musicianship.
- Club Band -** For those who are in the very early stages of learning the flute, clarinet or brass instruments. Players need to be able to play three or four notes before joining.
- Junior Wind Band -** For players who perhaps have been playing flute, clarinet or brass instruments for about a year. The standard of playing is usually Grade 1-3.
- Family Brass Band -** For brass players of approximately Grade 4+. A number of the players are members of the same family – hence the name! However, brass players of all ages are welcome.
- Youth choir (Year 6+)** – A four-part choir (sopranos, altos, tenors & basses) so boys whose voices are breaking are particularly encouraged to join this thriving ensemble.

Friday evenings
