Dear Parents/Carers,

Re: Newsletter

Thank you to everyone for helping to keep our school Covid free over the last year. To date, none of our children or teaching staff have tested positive for Covid 19. We have not had to close any class bubbles and the school has remained open throughout the pandemic. Life at school is slowly getting back to normal and we are really excited about some of the trips and events we have got planned over the last term. However, we are all aware of the new variants of Covid and how quickly these new variants spread. Keeping Sale and Davys open and accessible to every child is so important to us all and if we continue to make the right choices and keep each other safe all our children will have the face-to face learning they deserve.
