Growing, Believing, Succeeding

2nd July 2021

Dear Parents/Carers,

Re: Newsletter

We have had a great Sports Week! The children have had the opportunity to try a range of different sports including archery, fencing, cyclo-cross, rugby and team building. Sporting class trips also took place. Trent class visited West Park Leisure centre to try out the new Sky Trail Adventure Course and Dart and Merlin enjoyed activities at Conkers. Fun was had by everyone and it was fantastic to see so many smiling faces. These enrichment trips give the children the opportunity to develop new skills, resilience and confidence. I am sure that you will agree that learning to challenge yourself and to persevere is an important life skill.

Reminder

Meeting family and friends outdoors You should continue to minimise the number of people you meet within a short period of time to limit the risk of spreading coronavirus (COVID-19). Most restrictions on meeting people outdoors have been lifted, but gatherings must not exceed 30 people

Meeting friends and family indoors (rule of 6) It is safer to meet people outdoors. This is because COVID-19 spreads much more easily indoors. However, you can meet up indoors with friends and family you do not live with, either:

- in a group of up to 6 from any number of households (children of all ages count towards the limit of 6)
- in a group of any size from up to two households (each household can include an existing support bubble, if eligible)

If you are meeting friends and family, you can make a personal choice on whether to keep your distance from them, but you should still be cautious. You should read the guidance on [meeting friends and family](#).

Kind regards, Sarah Briggs
