

Christmas Cards and Gifts – How to Order

Our children have been busy creating their own special Christmas artwork designs, and we're excited to offer you the opportunity to turn their work into lovely personalised Christmas cards and gifts.

How it works:

1. By Friday 6th November, your child will bring home their own unique Christmas artwork design.
2. Each design will be attached to an order form and have an individual order code.
3. Visit the Cauliflower Cards website *https://www.cauliflowercards.co.uk/parents-shop* and enter your child's unique code.
4. You can then order your artwork and choose from the Christmas products available.
5. Select the items you'd like to purchase and complete your order and payment online.
6. **IMPORTANT:** You must return your child's artwork to school still attached to the order form so that it can be sent for printing by **Monday 9th November.**

Please note:

- Ordering is completely optional. If you do not wish to place an order, you do not need to return the artwork and form
- All orders and payments are made directly through the Cauliflower Cards website. Commission for each order will go towards school fundraising.
- Please make sure you use your child's individual artwork code when placing your order.
- Please return forms and artwork to school by the order deadline of **Monday 9th November**, as late orders may not be accepted.
