

Climate Change and Sus		
Category	Action	Details
Capacity and Culture	Create an Eco Warriors Committee for Pupils	Establish a student-led group to promote sustainability initiatives and environmental awareness.
	Provide CPD Opportunities for Staff with the National College	Offer training on sustainability and environmental education through the National College.
	Encourage a Paper-Free School Environment	Implement digital tools and practices to minimise paper use in classrooms and administration.
	Provide Reusable Water Bottles for Reception Students	Distribute reusable bottles to new students to reduce single-use plastic.
Curriculum	Integrate Sustainability into the Curriculum	Incorporate environmental topics into lessons across subjects, focusing on sustainability and climate change across all subjects and year groups.
	Forest School Activities	Use outdoor learning to teach students about nature and sustainability.
Campus	Replace All Light Bulbs with LEDs	Conduct a school-wide replacement of traditional bulbs with energy-efficient LEDs.
	Explore the Option of Solar Panels	Conduct a feasibility study and pursue installation of solar panels.
	Reduce time that heating is on during the school day.	Reducing heating times aligns with energy efficiency practices.
Community	Launch Recycling Initiatives Across the School	Set up recycling stations and promote recycling through campaigns.

	Reduce Food Waste in the Dinner Hall	Implement a food waste reduction program, including portion control and composting leftovers.
	Invite Severn Trent water to do a whole school assembly and water usage	Whole school assembly on Making a difference - How everyone can help to use water more wisely and protect our planet.
	Participate in National and International Initiatives (e.g., Earth Day, Walk to School Week)	Organise events and activities to join global and national sustainability efforts.

Sustainability Action Plan 2024 - 2030

Timeline	Responsible	Impact
2024/2025 Academic year	School Leadership	
Ongoing	Staff Development	
2024/2025 Academic year	All staff	
Start of each year	PTA	
Ongoing	Subject Leaders	
Weekly sessions	Justin Comasky - Forest School Leader	
Completed	Business Officer	Ongoing monitoring of bills and usage
Completed	Headteacher/Business Officer	Not feasible due to the initial cost. Will explore implementing a heating decarbonisation plan as an alternative.
Ongoing	Business Officer	
2024/2025 Academic year	Eco Warriors Committee	

Ongoing	Kitchen Staff	
Dec-24	Business Officer	
Annually	Eco Warriors Committee
