

Dear Parents,

27<sup>th</sup> November 2025

### **Re: Just Giving ChristmasTree**

Griffon Class are very excited to announce the arrival of the 'Just Giving Christmas Tree' which is located outside the school office in the entrance area. This is a new idea which involves parents and children being able to support the school and our young leaders in its charitable role. The Just Giving Tree is aimed to help provide essential kitchen items for young people who are living independently. Items range from a tin of soup to a kettle!

All you have to do is pick a decoration off the Christmas tree with the item on that you wish to buy. This could be a toaster, kettle, pack of tea towels, a set of cutlery for 4, a set of plates for 4, a tin of soup, a pack of sugar, a bag of tea or a jar of coffee. When you have purchased your item bring it into school with the decoration you had originally chosen. Fill in your name on the back of the decoration and leave your gift under the Christmas tree. Please could all gifts be under the tree by Monday 15<sup>th</sup> December.

At Sale and Davys we believe that it is extremely important to develop young leaders who can make a difference to their local community and even the wider world. We want our children to grow up as kind, caring individuals who have good morals and values. Projects like this help to make our children good citizens of the future.

I hope you will be able to support Griffon Class with this. Thank you in anticipation of your support.

Kind regards

Sarah Briggs
